All four shooters in both disciplines (rifle-pistol) will shoot 60 shots consisting of 6 10-shot series.

The athletes have 12 minutes to complete 10 shots.

Scoring will be made and announced after each 10-shot series.

The better shooter in each pair will get two points. In pistol single shots are evaluated in full circles, in rifle decimal scoring.

In case of equal score after 10 shots (p.e. 104,0-104,0), 1 point will be awarded to each athlete.

The maximum of points in the 60-shot competition is 48 (4x6x2).

The ultimate, most absurd result can be 48-0 while at the same time draw is not possible either.
